Prays that taking the above facts into consideration Equitable orders may be passed in the matter.

The endorsement of the Dy. Commr. of 7-2-95 is as follows.

If you have any objection to the apportionment fixed by the Survey Department - you should represent to the Authorities superior to him

(i.e. 88% of the Govt. share) & therefore liable to water rate, he urges that under the Govt. decision ~~the~~ above referred to ~~lands~~ these lands are entitled to free irrigⁿ from the tank.

SIR

With reference to Government Official Memo No ^{Rs 1700} dated 23rd Mar 1895, forwarding for report a petition from Tawarekere Kristappa Jochda of Chikarlgere Hoskote Taluk complaining against the imposition of water rate on his wet land in that village. I have the honor to state that a fine of Rs 2/- was imposed on him for having used the Government Dodiargere tank water for cultivating a portion of his dry land measuring 24 guntas. He contends that the imposition was contrary to the Government endorsement No 183 dated 16th December 1889 (enclosed in the accompanying correspondence). This order is however, inapplicable to the present case as the remission was not granted by the Government for utilizing the water of the Dodiargere Tank.

2. The 2nd General Assistant Commissioner's No 706 dated 18th instant, in the matter is also enclosed.

ABSTRACT

(The fiction is assigned to the
the Material Regent)

Religious state as prime:—

In connection with the
Jodi villages, he is first to
trouble the authorities.
During the last three years, he
sold all his gold and silver
ornaments. He realized nearly
300 Rupees by the sale, and vainly
paid up the amount. He sub-
mitted 200 or 250 petitions praying
that he might be freed from the
trouble he was put to. No just
orders have been passed on them.
The last petition to the Deputy
Commissioner herewith provided,
as returned on the ground that
it was not written on paper man-
u-

is quite unable to pay up
~~what~~ his dues as he has
hitherto usually done.

The prayer that an order
similar to that issued from
the Survey Department, ~~at~~ to
order No 183 issued by the
former Dewan, may be passed
in the matter.

He adds that a certain
garden land belonging to the
petitioner was taken up by the
Government. The Taluk authority
promised to give him some other
land for it. The land selected
by him has been given to another
applicant.

He further prays that orders
may be passed directing not
to demand from him the two
instalments of *judi arrears*
pending disposal of his case.
